

Pre-Employment Background Screening

Santoni Investigations provides comprehensive pre-employment background screening services. For the same cost as some automated searches, our experienced investigators personally review results from an array of data sources to help ensure the accuracy and validity of results, helping you to make accurate, informed decisions about new hires. Call us today. (800) 966-5715

Our pre-employment background screening services can include:

Criminal Background Check

- Retrieve county, state and national convictions in the past seven years

Civil Background Check

- Report on involvement in county, state and national civil actions

Federal Background Check

- Identify bankruptcy proceedings, federal criminal and civil cases

Sex Offender Check

- Report on statewide and national sex offender registration status

Credit Check

- Full report from a major consumer credit agency

Workers' Compensation Check

- Uncover litigated and non-litigated claims against prior employers

Driver's License Verification

- Verify license status and uncover accidents and violations

Employment Verification

- Validate claims of previous employment including positions held

Education Verification

- Confirm educational background, schools attended and credentials earned

Social Security Verification

- Validation of employee-provided social security number
